Wine Steles

The **Wine Stele**, available exclusively from Design Spray of Germany, is a minimalistic wine rack with a capacity to hold up to 18 bottles; that's equivalent to three cases, which the slender column can pack into a really tight space.

H. MICHAEL KARSHIS

Howdy, my name is **H. Michael Karshis**, first son of Henry & Mildred and the

oldest of six boys. Yes, my mom was a stay at home Saint. My dad retired from Randolph AFB in 1976 as a Chief Master Sergeant in the Air Force Chaplains Division. I was born in the U.K., educated in Boston and I am a **Creative Gun For Hire** currently living the good life in beautiful San Antonio, Texas. But enough about me. Check out my **work** and the blogs and you'll get a pretty good idea about what gets me out of bed in the morning... Peace and thanks for looking, have a great day!
